Bureau of Assessment Services

Managing Assurance with Confidence

Certificate of Registration

This is to certify that

Karnataka Fine Chem® (Laboratory Chemicals)

Plot No 6/1, 10th Cross, 1st Stage, Peenya Industrial Estate, Near TVS Cross,
Bangalore-560008, Karnataka, India.

has been assessed by Bureau of Assessment Services and hereby attests
that the organization Complies with the requirements of Quality Management System
in accordance with

ISO 9001:2015

The Quality Management System is applicable to:

"Manufacturing of Chemicals for Laboratory, Analytical, Industrial and electronic Grade HPLC,
Stains and Reagents".

[EA/NACE: 12/20.59]

CERTIFICATION
Bureau of Assessment Services

Original Certificate date : 14th November 2013
Certificate issue date : 22nd November 2021
Certificate valid till : 21st November 2024
Certificate No. : BLSAS-Q0001418

Further verification regarding the scope of the certificate and the applicability of ISO 9001:2015 requirements shall be observed by
conducting the organization.

This certificate remains valid until the holder maintains the management system in accordance with the registered scope, which
will be audited by Bureau of Assessment Services through surveillance audits. This certificate contains the property of Bureau of
Assessment Services. Lack of fulfillment of conditions as set out in the certificate agreement may render the certificate invalid.

Issued for: Sri Peenya, Sri Peenya Road, 1st Stage, Peenya Industrial Estate, Bangalore, Karnataka 560008, India.
Issuing Country: Bureau of Assessment Services, P.O. Box - 110000, Bangalore, India. Contact: 080-2666 0000

KARNATAKA FINE CHEM[®]

QUALITY POLICY

As part of its ongoing commitment to excellence **KARNATAKA FINE CHEM[®]**
Are committed to supply the highest quality across all the company's business areas.

By consistently providing services that meet or exceed consumer expectation and international standards, we will develop user loyalty and so achieve strong business performance in the field of

"MANUFACTURING & TRADING OF CHEMICALS FOR LABORATORY, ANALYTICAL, X-RAY, INDUSTRIAL & ELECTRONIC GRADE, HPLC, STAINS AND REAGENTS".

All employees are expected to help the company attain high quality standards. It is company policy to:

- Maintain and keep records of a quality management system in accordance with international standards, regulations and directives
- Ensure all staff are fully trained and understand their role providing quality products and good customer service
- Provide products/services which fully meet customer requirements
- Develop or acquire products/services which are Cost effective, safe and reliable
- Make sure the services and materials from suppliers are of consistent and sufficient in quantity and quality
- Strive for continual improvement in performance, underpinned by the necessary financial resources, and highlight objectives and progress through internal and external communications.

Date: 01/11/2021

We take Pleasure in Presenting to our esteemed customers

THE PRICE LIST FOR THE YEAR

2021--23

We are one of the leading manufactures of Laboratory Chemicals. Our factory is well equipped with sophisticated equipments. Quality of our products are well accepted by all the leading National Research Laboratories and Industries. The current Price List Contains various Chemical Reagents, apart from our regular range of products. We have experienced Technical Personnel as well as marketing personnel to cater the needs of our valuable Customers.

Should you need any technical Services or specially chemicals other than these products, we request you to write to us directly. We once again request all our customers to patronize.

AN ISO 9001:2015 COMPANY

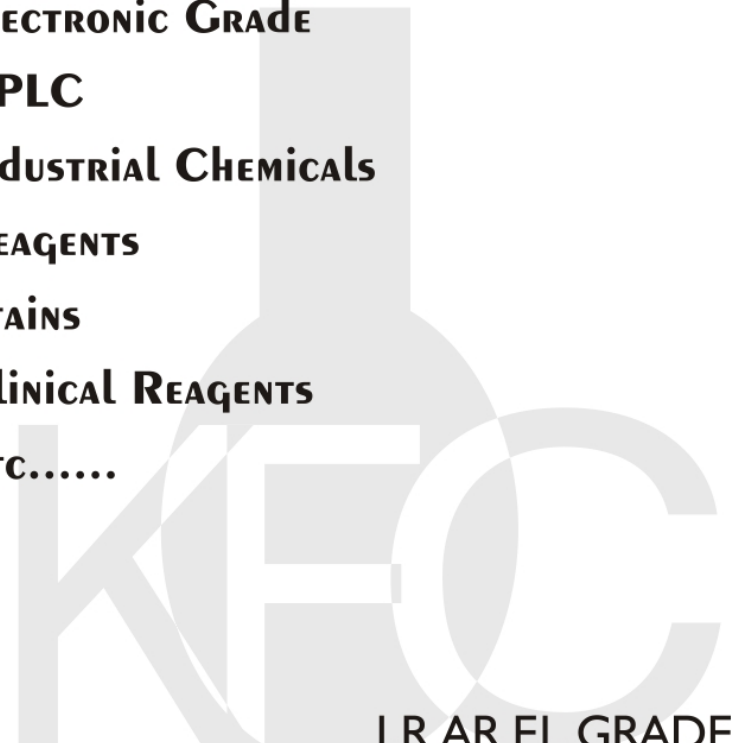

Our  Brand of Lab Chemicals.

PRICE LIST 2021-23

ABBREVIATIONS

a	-Alpha
AR	Analytical Reagent
B	- Beta
Bacto	Bacteriology
EL	Electronic Grade
Ep	Electrophoresis

PRICE LIST 2021-23

GENERAL TERMS OF SALE

Price

Prices are subject to alteration without notice.

Prices mentioned in this price list are the maximum consumer price.

Taxes

As Applicable

Delivery

Every efforts will be made to deliver the goods within the given time but no responsibility accepted for non-delivery or delay.

Bulk Pack

Special prices will be offered

Guarantee

All Chemicals supplied by us are Guaranteed as per our specification. Any quality Complaints must be in writing and specific on which parameters it fails, otherwise it cannot be considered as complaint. In case of genuine complaints, product will be replace free of cost. No other claims would be entertained.

Freight

Minimum invoice value is Rs.1,00,000/- F.O.R. destination.

Lesser value of materials will be despatched fright to pay basis.

Jurisdiction

For any legal matters, Bangalore Jurisdiction only.

Insurance

Good can be insured at customer's request at their cost.

Discount
Special Discount will be available on bulk prices.

HAZARD SYMBOLS AND THEIR MEANINGS

EXPLOSIVE

Criteria : Certain substances react exothermically thus generating gases. These may even explode on heating. Therefore storage is under water or a suitable solvent.

Precaution : Avoid impact, Knocks, sparks, friction, fire and heat.

OXIDING

Criteria : Certain substances mainly through oxygen evolution increase the fire hazard and the intensity of a fire.

Precaution : Avoid contact with flammable substances
Risk of ignition ! The substances promotes fire once started and impedes fire fighting.

TOXIC

Criteria : Certain substances in contact with human body can cause severe damage to health and sometimes be lethal. Especially carcinogenic, teratogenic or mutagenic toxic effects.

Precaution : All contact with human body should be avoided, particularly carcinogenic. Teratogenic or mutagenic risk associated substances. Seek medical advice, if unwell.

HARMFUL

Criteria : Certain substances in contact with human body cause acute or chronic damage to health especially carcinogenic. Tertogenic or mutagenic associated substances. There is risk of sensitization by inhalation.

Precaution : All contact with the human skin must be avoided particularly attention is drawn to substances having carcinogenic, mutagenic or teratogenic effects.

FLAMMABLE

CRITERIA : Liquids with flash point below 0°C and a boiling point of 30°C or below are EXTREMELY FLAMMABLE. Liquids with a flash point of below : 21°C are HIGHLY FLAMMABLE. Liquids with a flash point of 21°C or more and below or equal to 55°C are FLAMMABLE

Precaution : Keep away from naked flames, sparks and sources of heat.

CORROSIVE

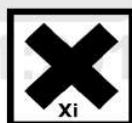

Criteria : Certain substances cause total damage to living tissues

Precaution : Take special measures to protect eyes, skin and clothes. Do not inhale vapours. Seek medical advice, if unwell.

IRRITATING

Criteria : Certain substances which are in prolonged or repeatedly in contact with the skin may cause inflammation.

Precaution : Avoid contact with eyes and skin. Do not inhale vapours.

DANGEROUS FOR ENVIRONMENT

Criteria : Certain substances liberate various things into aquatic and non-aquatic environments causing damage to the ecosystems.

Precaution : Depending on the risk potential do not allow to enter sewerage systems, soil or environment.

RADIOACTIVE

Criteria : Certain substances are subdivided into several categories relative to the nature of radioactivity.

Precaution : Avoid contact with skin and take proper care of storage.

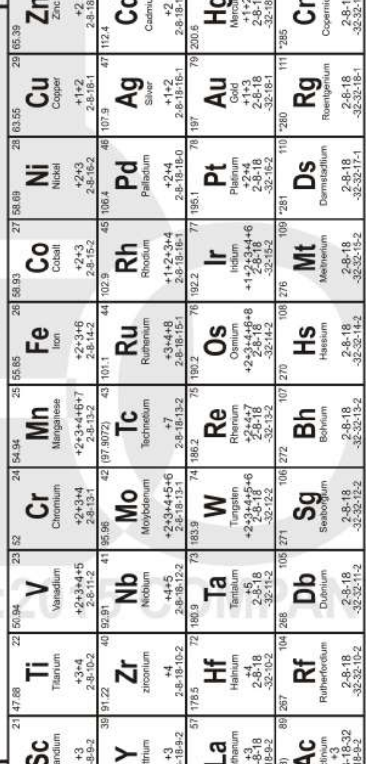

Periodic Chart of the Elements

KEY

- Atomic Weight → 32.07
- ← Atomic Number 16
- ← Atomic Symbol S
- ← Oxidation States 2, 4, 6
- ← Name Sulfur
- ← Electronic Configuration 2, 8, 6

Transition Metals

Mfrs of Fine Laboratory Chemicals

Date: 01/11/2021

SHELF LIFE CERTIFICATE

All our Chemical Grades Laboratory reagent / Analytical reagent / Electronic / HPLC & Clinical reagents / Stains Solutions. Products Have a Shelf life of One to Five Years From the Date of Mfg. and it is necessary to keep the inner lid & Cap / Keep Box & Drum in arrow Mark Position after every use. Store in a Dry place to get full shelf life, Avoid Cantamintaion for better results and maximum shelf life and we are not responsible for any type of cross contamination.
